Adaptability

ABOUT ME

Passionate about graphic and web design, with a focus on UX/UI design. Experienced in using Adobe Creative Suite and Figma to create visually appealing designs. Also have a basic understanding of HTML, CSS, JavaScript, SQL and Python. Have completed several projects that showcase my design skills and ability to work collaboratively. A multitasker with a strong work ethic and good teamwork skills, who is detail-oriented, possesses problem-solving and organizational abilities, and is adept at managing multiple priorities. Willing to take on additional responsibilities and always maintain a positive attitude.
